Keep your website fresh and engaging with the MMSS' Web Updates Program. Whether you host your own website or it is hosted for you, our updates program delivers monthly web content so you can focus on what you do best. MMSS utilizes your most updated promotional and educational materials to ensure brand continuity and content integration across all channels. From those materials, we develop custom graphics and content which we strategically post to keep your credit union's most current promotions and programs as the focal point of your homepage. The MMSS' Web Updates Program includes sliders, banners, buttons, and news articles.

The screenshot shows a website homepage with a green navigation bar containing links: About Us, Accounts, LoanLand, 24/7 Access, Services, News & Resources, and Contact Us. A dark blue button on the right says "JOIN TODAY! Quik-Click Membership Application". The main content area features a large banner with a woman holding a piggy bank, titled "KEEP YOUR HARD-EARNED MONEY" and "Save it in a Share Certificate!". Below this is "Graphic #1" with details: "Minimum deposit of only \$500", "Term 12-60 months", "Competitive fixed interest rates", "Dividends", and "Federally Insured". A "LEARN MORE!" button is present. To the right is a "Log In To Your Account" section with a "LOGIN TO ONLINE BANKING AND BILL PAYER" button. At the bottom, there are three smaller graphics: "Graphic #2" for "Save For Your Golden Years With A..." (with a piggy bank and money), "Graphic #3" for "LOVE MY CREDIT UNION REWARDS DISCOUNTS FOR YOU!" (with a heart), and a "PAYMENT CENTERS" section with "Transfer Payments" and "O-OP SHARED BRANCH" logos.
